## Examination performance in 2022

### GCSE Results 2022

#### ! Uneven impact of the pandemic on 2021/22 school and college performance data

We recommend:

- **Not making direct comparisons** with data from previous years or between schools or colleges.
- **Discussing with the school or college** factors that may have influenced these results and consider a range of information when forming a view on how well a school or college is doing, including pupil/student population information.
