

Academy Equality Objectives

At Swinton Academy, our objectives for 2023/2024 are as follows:

- To ensure equality of opportunity for all students by implementing a broad and balanced curriculum that is relevant, ambitious, culturally rich and sequenced to ensure that all students achieve the highest standards and are well prepared for the next stage of their education.
- To continue to improve the attendance of all vulnerable cohorts, and particularly those within the SEND and disadvantaged cohorts.
- To ensure that all students have access to high quality remote learning provision which aligns with the academy's curriculum intent.
- To ensure that students with SEND receive appropriate support, provision and achieve the best possible outcomes.
- To ensure that differences within our academy community are respected, valued and celebrated because every person, students and staff, are unique. To ensure acceptance without exception.
- By promoting British values throughout the curriculum, to encourage students from different faiths, communities and background to work together, learn about each other's customs, beliefs and ideas and respect each other's viewpoints.
- To ensure the delivery of an outstanding RSHE/PSHE curriculum that meets the needs of all our learners, yet is flexible and responsive to any challenges that arise.
