Our football camps teach children correct football techniques by FA & UEFA qualified coaches who work with primary-aged children on a daily basis. All our coaches have full DBS (CRB) clearance to work with children. The sessions are specifically designed to create a pressure-free environment, for the children to thrive and develop at their own pace, and above all else, have fun!

The day is set up like a school day, with a morning break and afternoon lunch. We ask you to provide a healthy packed lunch, snacks, water/juice. Our staff will re-fill water bottles throughout the day. All of our sessions will be held outdoors, on the fantastic AstroTurf with lunch being indoors. Please bring both indoor and outdoor footwear. We also ask that you provide suitable clothing (we will play in the rain, as long as it's appropriate to do so), sun cream and a hat as required.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability at the camp will be recommended for trials at professional academies. Players who have previously attended our camps are currently playing for professional academies across the country.
