

Chat 'n' Chill

Young people's group for ages 13-19

Chat 'n' Chill is a provision unique to Rotherham. It aims to support young people who experience Autism. To embrace their transition from adolescence to adulthood, in ways that enable them to grow, live their lives and to be active members of their community.

The groups programme includes a range of social activities which encourages the young people's interaction with peers. Through activities, staff explore with young people, peer pressure, adolescence, anxiety, anger management and encourage young people to socialise.

Entry is £3:00 on the door and sessions are term time only.

For more info, please contact Georgina at the Chislett Centre.
