1st September 2025

Dear Parent/Carer

## **RE: Post 16 at Swinton Academy**

We write to inform you that following our KS4 results day, the number of students signing up to join our Y12 cohort was not enough for us to be able to run the courses we were due to offer. This means that none of the courses offered will run.

To reassure you, we have personally spoken to students who initially expressed an interest in joining Y12 in September 2025 to share this information with them and to offer support to any students who may need help finding an alternative course.

As you are aware we are currently in the process of consulting to close the Post 16 provision at Swinton Academy. When this is finalised we will be in touch to make you aware of the outcome. Please note that these decisions will not affect the cohort who will be Y13 from this September.

If you have any questions about this decision, then please do not hesitate to contact us.

Yours faithfully

**All adults in school have a responsibility to safeguard and promote the welfare of children.**
