Dear Parent/Carer,

RE: GCSE Revision Guides – Year 11 Science

As part of your child's preparation for their GCSE Science course we would like all students to have a set of revision guides to help them with their studies. The books are a quality resource focusing on the demands of the GCSE specification and will be invaluable in supporting classwork, homework and exam preparation.

Books and cost are specified below.

Revision Guides

- GCSE Combined Science AQA Revision Guide – Foundation - £6.50
- GCSE Combined Science AQA Revision Guide – Higher - £6.50
- GCSE Biology, Physics & Chemistry AQA Revision Guides - £10.50 (for all 3)

If you would like to purchase these guides, which the Science Faculty recommends, you can do so via the ParentPay website.

Your son/daughter will be sitting science trial examinations in November this year and these guides will help support their revision and preparation.

Please note if you purchased a guide/s last year when your son/daughter was in Y10 these are the same books, so will not need to be purchased again.

Any questions regarding payment please email the finance team: finance@swintonacademy.org

We thank you for your continued support.

Yours faithfully,
L. Fitch
Head of Science Faculty
