Wednesday 17th December 2025

Dear Parents/Carers,

We would like to update parents and carers on the proposed Post-16 closure at Swinton Academy. The proposal is currently progressing through the Significant Change application process with the Department for Education (DfE), and no final decision has yet been made. We anticipate being in a position to communicate the outcome of this process to parents and carers during the spring term. We appreciate the importance of keeping families informed and will provide a further update as soon as more information becomes available.

We recognise that this period of uncertainty may be challenging, and we thank parents and carers for their patience and understanding. We remain committed to keeping you fully informed as soon as further information becomes available.

Yours sincerely,

Rebecca Scutt
