This Policy has been developed in conjunction with DfE and LA Guidance. It is written taking into account the principles set out in Working Together to Improve Whole School Attendance. Reference to parent/carer throughout this document also includes any person who has parental responsibility or who cares for them.

1 Aims and Principles of Good Attendance

In line with DfE guidance, all schools are expected to appoint a Senior Attendance Champion who has strategic oversight of whole school attendance. The contact details of Swinton Academy's Senior Attendance Champion are:

Name: Mrs S Beevers

Position: Vice Principal

Swinton Academy is committed to maximising the achievement of all students. Improving attendance is everyone's business.

A broad and balanced education is dependent on regular attendance at the academy.

The Department for Education states that 'Students with the highest attainment at the end of Key Stage 4 (GCSE summative examinations) have higher rates of attendance compared to those with the lowest attainment'

As a result, there is a clear and unquestionable link between good attendance and educational achievement. Good attendance is an important consideration when applying for any Post-16 placement and a student's attendance should be as important as a subject grade or reference.

Regular and punctual attendance is vital if students are to benefit fully from the academic, personal and social opportunities, which are offered to them within the academy.

Parents/carers play an important role in supporting the academy and encouraging students to reach good attendance levels.

Where absence is identified as a concern the academy will work with parents/carers in a timely manner to support both the students and their family to improve attendance to the academy.

The academy will always take appropriate action to promote and encourage good attendance through our ACET Attendance Pathway initiative.

At each phase of intervention through the ACET Attendance Pathway the academy will work with parents and carers to implement effective intervention to raise student attendance.

2 Statement of Expectations

What the academy expects of our students:

The academy day begins at 8:20 at which point all students are expected on site and in their Period 1 lesson.

At 8.30am registration is formally taken by the Period 1 member of staff.

The academy day ends at 3.00pm following period 5.

Students are expected to attend the academy every day. Where a student cannot attend the academy we expect to be informed in a timely manner and prior to the start of the academy day.

The academy day is as follows:

The registers close at 9.00am. All students who arrive prior to 9.10am are marked present for the morning session.

Any student who arrives after 9.00am will be coded U (late after the register has closed) which is an unauthorised absence.

Students arriving after 9.00am will not receive their attendance mark for the morning session.

All students are expected to arrive on time to all sessions within the academy day and be ready to learn.

All students who arrive late must report to main reception.

Students who arrive late before the register has closed will be coded (L) and be directed to their first lesson. The year team or form tutor will pick up your lateness.

All students who arrive late after the closing of the register must report to the Attendance Office and sign in. Students will be coded (U)

3 Roles and Responsibilities

3.1 Students

Ensure they attend the academy every day on time by 8.20am

Attend all lessons on time as per their timetable

3.2 Involvement of Parents/Carers

The DFE guidance states that *'where parents decide to have their child registered at school, they have an additional **legal duty** to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance of school.'*

In line with this guidance the academy expects that all parents/carers will:

Ensure their children attend the academy **every day** and on time.

Ensure that they **contact the academy every day that their child is unable to attend**

Ensure their child arrives on time and is well prepared for the school day [full uniform, equipment, completed homework etc.]

Contact the form tutor, Pastoral Team or the Attendance Team whenever any problem occurs that may keep their child away from the academy.

Inform the Attendance Office and seek authorisation for any forthcoming Leave of Absence requests or appointments should be arranged appointments outside of the academy day.

Ensure the continuity of their child's education by **not taking holidays during term time**.

When reporting a child's absence, parents **must** contact the academy confirming the child's name, why they are not in school and when they will be back in school.

They will prioritise home visits to families where the attendance of the child is below 90% or in danger of falling below 90%. They have an additional responsibility for tracking and monitoring the attendance of severely absent students; those with an attendance of below 50%. This is a key role for the liaison between external agencies and the academy.

The specific responsibilities of the EWO include:

Working with specific families to develop attendance support plans which identify, and mitigate against, barriers to attendance

Leading as the 'Get out of PA' family liaison

3.7 Class Teacher

Registers taken by class teachers form an overall picture of attendance and ensure we are aware of the location of all students in the academy. It is a very important document with regards to registration and safeguarding. The class teacher must ensure that attendance to lessons is as high as possible.

The specific responsibilities of a class teacher include:

Completing an accurate, verbally taken, register within the first 5 minutes of the lesson

Ensuring the register is refreshed prior to taking. This will update the register with the most up to date information including existing codes.

Informing the attendance team and Pastoral Team of any suspicious absence immediately. (Students who have been marked present earlier in the day but absent from lesson)

Amending the register quickly in the case of late arrivals

Noticing when students have returned from absence and welcoming them back into lessons positively

3.8 Form Tutor

The form tutor is a key pastoral role within the academy. Form tutors are responsible for a specific group of students who they will meet each day. They are responsible for ensuring that students are reviewing their attendance weekly, through specific form time activities.

The specific responsibilities of a form tutor include:

Celebration of excellent attendance.

Individual mentoring of students with poor attendance

Maintaining a form group display which includes attendance summaries

Discussing attendance with parents, including to congratulate those with excellent attendance

Discussing attendance at parent engagement evenings

Challenging poor punctuality from the previous day

3.9 Pastoral Team

The Pastoral Team are a crucial link between the academy and home and they should have strategic overview of the attendance of the pupils in their year group

The specific responsibilities for the pastoral team include:

Engaging with the attendance data and analyse patterns, using these to direct interventions and further action

Liaising with attendance team on all matters relating to attendance and punctuality of the students in their year group

Liaising with senior leaders about major concerns within their year group

Assisting with daily phone calls to clear N codes

Attending meetings related to attendance concerns within the year group

Delivering assemblies

Maintaining a weekly focus and raising the profile of good attendance

Delivering rewards via year team and whole school attendance initiatives

4 Attendance Protocol – The academy’s day to day processes:

Students are expected on site by 8.20 am and are registered by Period 1 classroom teacher at 8:30am, submitted by no later than 8.40pm.

Afternoon registration takes place at 1.00pm. Submitted no later than 1.10pm

The academy will adopt the following non-negotiable procedures in relation to the daily monitoring of absence:

Voicemail and email procedures will begin promptly at 7.30am. The Attendance Team will decide upon any necessary follow up phone calls

Absence calls will be directed straight to the Attendance Team

The Attendance Team will make proactive phone calls to parents/carers of students who are at risk of persistent absenteeism or severe absence

First Day contact procedures will commence following registration and consequent (N) codes

Parents will receive a phone call, follow-up text message if no response, a follow-up phone call and a home visit if the academy feels one is necessary.

All students late to the academy will be registered as (L)

All students that are in the academy after 9:00 are registered as (U) and classed as unauthorised absent for the morning session based on new guidance

Students who are at risk of persistent absenteeism have their attendance monitored daily by the Attendance Team

All (N) codes must be cleared by the end of the day and no later than 3:30pm

Attendance data is available each day and can be communicated via the attendance office.

4.1 Attendance Protocol – The academy’s day to day processes following contact from parents:

Where parents or carers have contacted the academy in order to explain their child’s absence the Attendance Team may still make contact regarding the child’s wellbeing and possible length of absence.

In the event of long term absence, the academy will adhere to the following procedure:

Day 1 – 5 – the academy will continue to liaise with parents regarding absence. It is likely that on day 3 of absence the attendance team will phone home following on from parental contact explaining absence. This will be in order to enquire about the child’s wellbeing and their likely return to the academy.

Day 6 – following 5 days of absence, and a corresponding weekend, the Attendance Team will complete a home visit in order to complete a safe and well check.

4.2 Attendance Protocol – The academy’s day to day processes following no contact or communication with parents:

Where parents or carers have not contacted the academy in order to explain their child’s absence the Attendance Team will make contact regarding the child’s wellbeing daily.

This contact will be a phone call in the first instance. Where the academy has been unable to make contact over the phone a safe and well text message will be sent requesting contact from parents or carers.

Where no contact has been established with parents and carers, the academy will adhere to the following procedure:

Day 1 – phone call attempted and, where no contact, a safe and well text sent

Day 2 – phone call attempted and, where no contact, a safe and well text sent

Day 3 – phone call attempted and, where no contact, a safe and well text sent. If the academy has still not had contact from parents a home visit will be completed in order to complete a safe and well check.

Our attendance team will routinely make home visits on a daily basis as a core part of their work. This is a very important part of their work in order to enquire about the wellbeing of students who are unaccounted for and to work with parents in order to transition the student back to the academy.

5 What parents and students can expect of the academy

A broad and balanced education that is dependent on regular attendance at the academy.

The encouragement and promotion of good attendance

Regular, efficient and accurate recording of attendance

Contact with parents in a timely manner when a student fails to attend the academy without providing good reason. The Aston Community Education Trust Pathway initiative prompts discussions and meetings around attendance following 3 days of absence within a 4 week period.

The academy will act promptly in response to any problems notified

Close liaison with Early Help to assist and support parents and students where needed

Notification to parents/carers of their child's attendance record through ClassCharts app

The Attendance Office will record all attendance related incoming messages from parents

Academy and year group attendance data will be collected, analysed and monitored. The academy will respond to any areas of concern identified.

6 Rewards and incentivising attendance

It is important to acknowledge, incentivise and reward good attendance. The following approach to rewards and recognition are in place:

Awards Assemblies that recognise 100% attendance across an academic year

Year group incentive leagues that recognise good attendance

Academy presentation evenings that recognise 100% attendance

The 100 Club Reward Scheme

Half termly most improved attendance award. Certificates may be awarded to students with high attendance rates and significantly improved attendance

At the end of the year, certificates and 100% Attendance Badges may be awarded to all those with 100% attendance

Verbal praise for form tutor time

Targeted incentives that are thematic throughout the year

Attendance desktops that have pop ups on a student's log in regarding 100% attendance

Academy wide praise culture

7 Reintegration into the academy after absence

The Academy will endeavour to support students returning to school after a long period of absence.

School staff and Early Help, will liaise closely on this issue and employ appropriate reintegration strategies, incorporating 'Intervention Mentors', 'Pastoral Support Programmes', 'Individual Education Plans'.

Looked After Children (LAC) will be supported following significant disruption to their education by implementing a Personal Education Plan. Students could be referred to the Education Support Team for LAC for support with reintegration, where appropriate.

The academy operates a positive reintegration after absence. Form Tutors will welcome all students back to the academy after any absence.

8 How the academy uses data to target improvements in attendance and persistent absenteeism:

The academy tracks and monitors attendance data on a daily, weekly, monthly and half termly basis through the following:

OFSTED data dashboard to show three year trends in regards to whole school attendance and persistent absenteeism

Power Bi for trust wide comparisons to national averages

Class Charts to see trends and patterns in absence

Persistent Absence Tracker that is updated daily for ongoing intervention

Monitoring and intervening with students who are severely absent to school

Attendance Bands initiative to identify patterns in absence

The Aston Community Education Trust Pathways that identify when a student hits an absence trigger in order to support parents/carers in improving a student's attendance

The longer absence goes untackled the more likely it is to become embedded within a student's approach to education. The academy operates waves of intervention that are graduated to ensure we support our families in improving student attention. Once a trigger has been identified through the ACET Attendance monitoring pathways, waves of intervention will be agreed through Attendance Support Plans and Attendance Panels.

9 The academy's strategy for reducing persistent and severe absence:

Any student who is identified as persistent or severely absent from the academy will be identified through the ACET attendance pathway in order to intervene and support students.

At Swinton Academy we identify, half termly, those students who are categorised as:

Persistently absent – with an attendance of 90% or below

Severely absent – with an attendance of 50% or below

For all students who have been identified as persistent or severely absent the school will act in line with DFE guidance detailed in Working Together to Improve Whole School Attendance by:

Ensuring that they understand the individual needs of the student and their family

Working in partnership with the student and their family to put in-academy support in place

Working with the local authority and other agencies where external support is needed and available

Working with families and other agencies to ensure the regular attendance of every student

Facilitating pastoral support with the clear aim of improving attendance

Considering reasonable adjustments to practice and policies to help meet the needs of students who are struggling to attend the academy

Regularly reviewing any adjustments that have been agreed with students and their families

Ensuring pastoral care is joined up where needed

Formalising support in partnership with the Local Authority in line with their Code of Conduct.

Information in regard to additional support and the Local Authority Code of Conduct can be found at:

<https://www.rotherham.gov.uk/education-2/school-attendance>

Parents should be aware that ACET will not permit any flexi schooling requests.

10 Fixed Penalty Notices:

At Swinton Academy we monitor all absences. Early intervention is a significant factor in limiting student absence and ultimately improving student attendance. As an academy we ensure that a rigorous attendance monitoring and family support system works in partnership with our parents in their statutory duty of ensuring their children attend the academy regularly. This system will add an additional layer of support before the Fixed Penalty Notice pathway directed by the Department for Education and the Local Authority.

Our attendance monitoring system implements 5 trigger points of intervention, each will be over a 4 week period, prior to pursuing the Fixed Penalty Notice Pathway. This can be seen below.

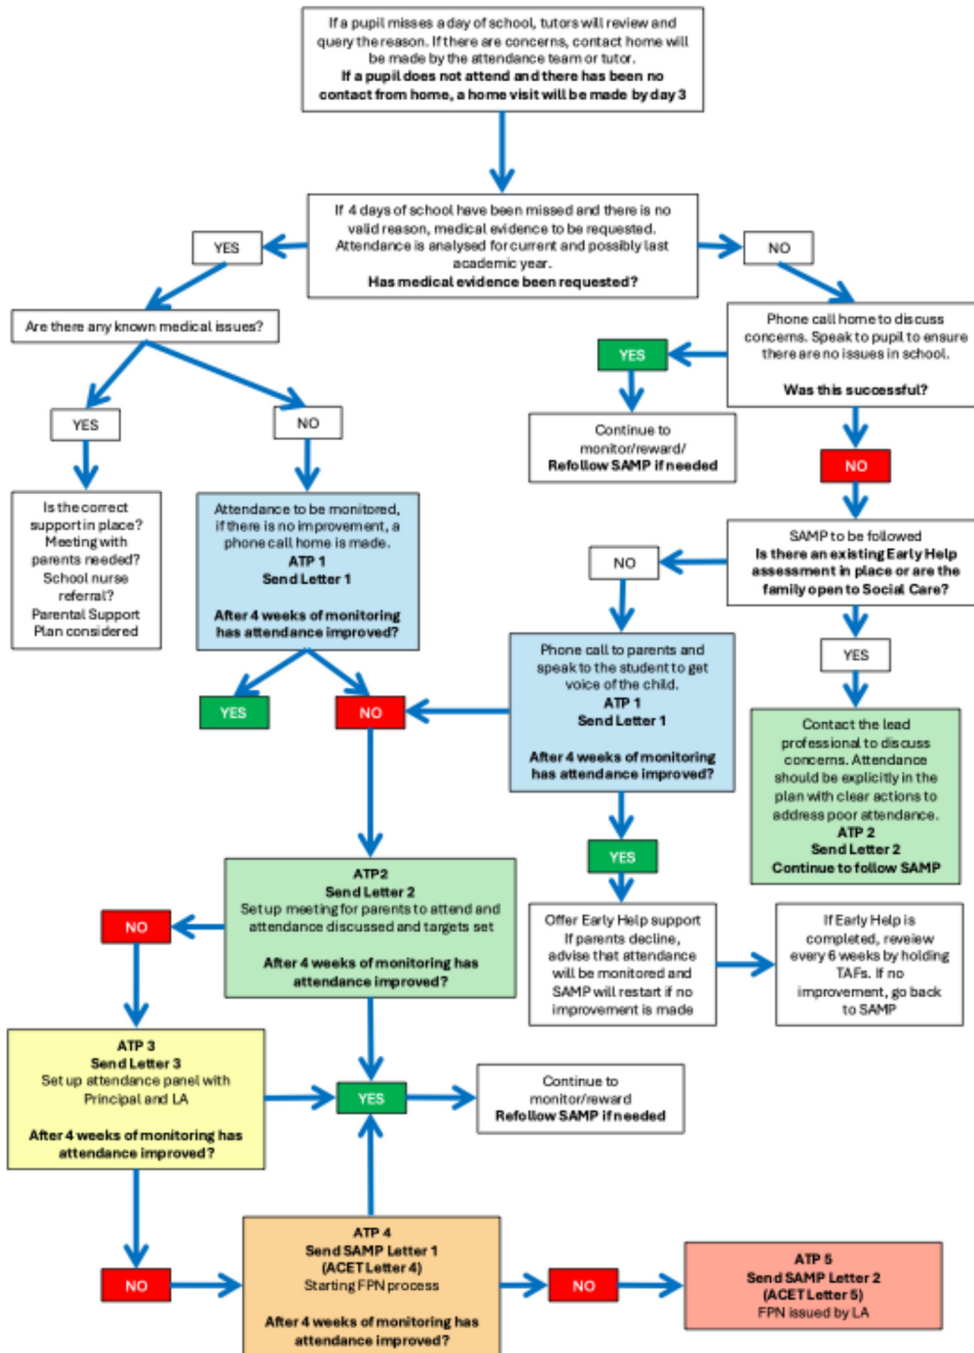

10.1 Attendance Trigger Model

Trigger points	Parameter met	Action	If successful	If matched	If unsuccessful

MATTERS

11 Statutory Requirements, the Law and the Local Authority

The academy requests that parents do not arrange family holidays during term time. The academy will not agree to an absence for a holiday in term time in line with legal frameworks. The law says that parents do not have the right to take their child out of school for holidays during term time.

If you feel there are exceptional circumstances that mean your child needs to be absent from the academy, you should apply, in advance, by writing to the headteacher explaining clearly the dates and reasons you are requesting leave of absence.

If the academy refuses a request for leave of absence and the child is still taken out, this will be recorded as unauthorised absence and noted in the child's record.

You may also receive a penalty notice for the period of absence.

Please note: all absences on the last day of term will be unauthorised unless we have medical evidence.

This will count towards the Fixed Penalty Notice process.

12 Working Together to Improve Whole School Attendance

https://assets.publishing.service.gov.uk/media/66bf300da44f1c4c23e5bd1b/Working_together_to_improve_school_attendance_-_August_2024.pdf

Where all voluntary support options are unsuccessful or are not appropriate (e.g. an unauthorised holiday in term time), the local authority's School Attendance Support Team should liaise with school and the early help lead practitioner or social worker (where applicable) to take forward attendance legal intervention in line with chapter 5 to formalise support and/or enforce attendance. All local authorities are therefore expected to:

Understand and make use of formal support options including attendance contracts and education supervision orders and use them fairly and consistently.

Set out clearly for pupils, parents, and schools when and how attendance legal intervention will be used where voluntary support is not appropriate, or where absence was not for legitimate reasons and support has not been engaged with and/or been successful.

Secure effective joint working between the School Attendance Support Team and statutory children's social care services to work together where there are safeguarding concerns or absence becomes severe.

This should include building attendance expectations into children in need and child protection plans where appropriate or considering developing a plan as an intensification of support where formalised attendance support (such as an education supervision order) is no longer sufficient or has not been effective.

Issue Notices to Improve and penalty notices in line with the National Framework where absence was unauthorised and support has been provided but has not worked or been engaged with, or would not have been appropriate in the circumstances of the offence (e.g. an unauthorised holiday in term time).

Take forward attendance prosecution as a last resort where all other routes have been exhausted or deemed inappropriate.

In regards to the new National Fine Thresholds schools and Local Authorities will have to consider a fixed penalty notice if a student misses 10 sessions (5 days) of unauthorised absence in a rolling period of ten school weeks. However, this is a decision that the academy will take on an individual basis.

However, the academy and Local Authorities retain the discretion to issue one before a threshold is met.

Fixed Penalty Notices are issued by the Local Authority to avoid duplicate notices. This ensures consistent and equitable application of policy, protects academy-home relationships and allows alignment with other enforcement sanctions and statutory interventions.

Fixed Penalty Notices will only be issued for offences where the Local Authority is willing and able to prosecute and that are agreed at either the Local Authority School Attendance Panel (LASAP) or the FPN panel.

The Local Authority will ensure that the issuing of Fixed Penalty Notices will be closely monitored to ensure that recipients pay the relevant fine. In instances where the penalty is not paid within the appropriate period, the Local Authority will prosecute.

A Fixed Penalty Notice can only be issued in cases of unauthorised absence

The Local Authority will receive requests to issue Fixed Penalty Notices from schools and requests will be screened to ensure adequate evidence of support and intervention, as required by the pathway, is submitted

Enforcement action can be one of the following:

A Fixed Penalty Notice is £80 per parent, per child. This increases to £160 if not paid within 21 days. If a Fixed Penalty Notice is not paid, then it will be referred to the Magistrates Court. There is no right of appeal once a Fixed Penalty Notice has been issued according to the Code of Conduct.

An Education Supervision Order is a court order made in the Family Court, which gives the Local Authority a supervisory role over a child's education. When an Education Supervision Order is made, the child's parents are legally required to comply with any directions the court makes under the Education Supervision Order. If parents do not comply with the Education Supervision Order they can be prosecuted. A referral to the Magistrates Court for prosecution. This could result in a fine of up to £2,500, an order to do unpaid work or imprisonment of up to 3 months.

In some cases, it may also be necessary to refer to Children's Social Care.

All sanctions are used to improve attendance and punctuality and reduce absence. Further information regarding the Local Authority Fixed Penalty Notice Pathway can be found here:

Addendum 1 - Children with health needs who cannot attend academy policy

As a general rule, academy staff will not provide work for students who are off school ill. Work, however, can be found if students feel able to do it by using academy online platforms such as Sparx maths, Google classroom or other online resources such as those found at the 'Oak Academy' or 'BBC Bitesize'.

This section of our Attendance and Punctuality Policy sets out our approach to supporting those children with medically diagnosed health needs who cannot attend school. It aims to ensure that suitable education is arranged for pupils/students on roll who cannot attend academy due to their health needs and that students, staff and parents/carers understand what the academy is responsible for when this education is being provided by the local authority.

This policy is based on the following legislation:

- [The Education Act 1996](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- It is also based on the following statutory guidance from the Department for Education (DfE):
- [Alternative provision](#)
- [Arranging education for children who cannot attend academy because of health needs](#)

This policy complies with our funding agreement and articles of association.

Rotherham Metropolitan Borough Council is responsible for ensuring that pupils/students with health needs are not at home or in hospital for more than 15 working days without access to education: this may be consecutive or cumulative with the same medical or health condition.

Where possible, the child's health need should continue to be managed by the home academy so that they can continue to be educated there, with support.

Initially, our academies will attempt to make the arrangements to deliver the same high standard of education for children with health needs who cannot attend the academy.

- The academy will liaise with parents / carers of students who are not currently attending school due to a diagnosed medical need

- The academy will discuss with parents/carers the specific advice that medical professionals are giving regards the education of the child
- The principal and attendance leads will be responsible for organising and monitoring these arrangements. This may include sign posting work on websites such as The Oak Academy, directing parents/carers to online packages such as Sparxs maths etc, sending work home and/or organising hospital home tuition.
- The Principal and Year/Attendance Teams will work closely with the family to re-integrate the child back into school as soon as is possible.

Our academies will make suitable arrangements, working with the local authority if it is clear that a child will be away from academy for 15 days (consecutive or over the course of the year) or more because of their health needs, the local authority will then become responsible for arranging suitable education for these children.

When a local authority arranges alternative education, the education should begin as soon as possible, and at the latest by the 6th day of the child's absence from academy.

Where full-time education is not in the child's best interest for reasons relating to their physical or mental health, the local authority must arrange part-time education on whatever basis it considers to be in the child's best interests.

In cases where the local authority makes the arrangements, our academy will:

- Provide the local authority, at agreed intervals, with the full name and address of any students/pupils of compulsory academy age who are not attending academy regularly due to their health needs
- Work constructively with the local authority, providers, relevant agencies and parents/carers to ensure the best outcomes for the child
- Collaborate with the local authority to ensure continuity of provision and consistency of curriculum, including making information available about the curriculum
- Along with the local authority, regularly review the provision offered to ensure it continues to be appropriate for the child and that it is providing suitable education
- Share information with the local authority and relevant health services as required

- When a child has complex or long-term health issues, work with the local authority, parents/carers and the relevant health services to decide how best to meet the child's needs (e.g. through individual support, arranging alternative provision or by them remaining at academy, being supported at home and back into academy after each absence)
- Where possible, allow the child to take examinations at the same time as their peers, and work with the local authority to support this
- Help make sure that the child can be reintegrated back into academy successfully

When reintegration is anticipated, work with the local authority to:

- Plan for consistent provision during and after the period of education outside the academy, allowing the child to access the same curriculum and materials that they would have used in academy as far as possible, including through digital resources
- Enable the child to stay in touch with academy life (e.g. through newsletters, emails, digital learning platforms, social media platforms, invitations to academy events or internet links to lessons from their academy), and, where appropriate, through educational visits
- Create individually tailored reintegration plans for each child returning to academy, which includes extra support to fill any gaps arising from the absence
- Consider whether any reasonable adjustments need to be made

Addendum 2 - Leave of Absence Requests (including Holidays in Term Time)

Principals can only grant term time absences in 'exceptional circumstances. These will be decided on the individual circumstances and the relevant context behind the request.

The principal does not have to give permission if you request a holiday. If the holiday is not approved; your child's absence will be recorded as unauthorised.

Exceptional Circumstances may include:

- Funerals or weddings of close family members
- Forces staff returning from abroad
- Religious observance
- Graduation of an immediate family member
- Parents/carers returning from having to work abroad for a fixed, minimum term period
- Compassionate leave
- Performance at representative level (County/National) with accompanying letter from the relevant body

NB Please see note re: Fixed Penalty notices in respect of Poor School Attendance and Unauthorised Holidays / Leave of Absence which can be found at the end of the document.

How do I make a request for a Leave of Absence?

- Complete the leave of absence request form on the next page.
- Detach the form and hand it in to the academy reception.
- If you consider the circumstances to be **exceptional** attach a letter addressed to the principal explaining the circumstances of the request.
- You will be notified in writing informing you of the decision.
- Please note that unless circumstances are judged to be exceptional, the leave of absence will be declined.

“Taking your child out of school during term time will result in missed learning opportunities. National studies have shown that there is a strong link between school attendance and attainment.”

Should I still fill in a form if I know the request will be unauthorised?

YES

We contact parents/carers on a daily basis if we do not know the reason for absence of a student. It is very important you let us know why your child is absent even if the absence will be recorded as unauthorised.

If deciding if the absence is EXCEPTIONAL, the Principal will consider the following:

- Is the absence within the control of the parent/carer?

(A letter, on headed paper, from an employer is required if the absence is due to the availability of leave)

Does the student have a good attendance record? (eg. At least 95%+)

Will the absence affect the student's academic progress?

(for example a holiday taken at the start of the academic year, an absence which occurs at the same time as external or internally set exams or an absence which requires a student to be absent from school at set periods of times each week, each month etc)

- Is the activity a worthwhile experience which will enrich the student's broader education?

(Our guidance is to only authorise to a maximum of 4 days or equivalent in each academic year for such activities)

Students should make every effort to catch up on work missed due to absence, whether the absence is authorised or unauthorised. This may involve asking teachers for the materials in advance.

Below is an extract from the 'Frequently Asked Questions' section of the Department for Education publication: Advice on School Attendance, published in 2012

Can a school fine a parent for taking their child on holiday during term time?

Yes.

Parents have a legal duty to make sure that their child aged 5-16, if registered at a school, attends that school regularly. If taking an unauthorised term time holiday is grounds for issuing a penalty notice according to the local authority's code, and if the leave of absence for holiday was not authorised by the school, either the school or the local authority may issue a penalty notice.

****Please note**

'The Local Authority Code of Conduct for the issue of Fixed Penalty Notices in respect of Poor School Attendance and Unauthorised Holidays / Leave of Absence taken in Term-Time states that a parent will not be issued with more than 1 Fixed Penalty Notice in respect of an individual child in any 2-year period.

This means that if any parent/carer who has already received a Fixed Penalty Notice then takes their child out of school in term time for a holiday, which falls within 2 years of the date of the last day of absence of the previous holiday, a request will be made to the Local Authority and the matter may be referred to the Magistrate's Court. This could result in a prosecution of up to £1000'.
