YOUR GUIDE TO THE WEEK AHEAD AT SWINTON

Fri 4/9/26

EPISODE. 1

PRINCIPAL:

Welcome to the New School Year!

A very warm welcome to all our parents and carers as we come to the end of our first week of the new school year. It has been a fantastic start, with our students settling in well, embracing new routines and making a positive start to the year ahead.

We're also delighted to introduce our new weekly newsletter, which will keep you up to date with school news, student achievements, upcoming events, key dates and important reminders.

Thank you for your continued support. We hope you enjoy reading our first edition and wish you all a relaxing weekend.

CELEBRATING SUCCESS:

What a fantastic first week!

We have been incredibly impressed with how well our new Year 7 students have settled into academy life this week. They have approached their first few days with enthusiasm, confidence and a really positive attitude.

It has been wonderful to see them making new friends, getting to know their teachers and routines, and embracing all the opportunities that academy life has to offer. We are already seeing some fantastic examples of kindness, resilience and determination.

A huge well done to all of our Year 7s - they should be very proud of themselves!

Thank you to parents and carers for all your support in helping them make such a positive start. We are really looking forward to seeing them continue to grow and thrive over the coming weeks.

STUDENT WELLBEING:

Assemblies this week have had a focus of student wellbeing and resetting for the new academic year. Students listened attentively and are now ready for the hard work ahead. Top tip for students to help with the new term, make sure you are prepared and ready for school. Visit the school shop if you need equipment.

CLUBS & ENRICHMENT:

LEARNING SPOTLIGHT:

Students have made a positive start to the new academic year and have settled in well. Year 7 have particularly impressed staff with their enthusiasm and engagement during their induction programme. Across subjects, students have received topic overviews to help them understand the exciting curriculum content ahead and prepare them for a successful term.
