

PRINCIPAL:

We are incredibly proud of how well our students have settled into the school year and the positive attitude they demonstrate every day. Across the academy, students are working hard in lessons, showing resilience when faced with challenges, and taking pride in their learning and personal development.

Our students continue to impress us with their kindness, respect and willingness to support one another. They are embracing opportunities both inside and outside the classroom, contributing positively to the school community and demonstrating the values that make us proud to be part of our academy.

Thank you for your continued support. The strong partnership between home and school plays a vital role in helping our students succeed, and we look forward to celebrating many more achievements together throughout the year.

TUK TRUCK

Last week, our students had the chance to try something a little different as the Mellor's Tuk Truck made a special visit to school.

From Tuesday to Thursday, students could purchase tickets during breaktime and enjoy a delicious selection of cuisines from the Tuk Truck.

The Tuk Truck was located just outside Reception, making it easy for students to grab something tasty during their break.

It was fantastic to see so many students getting involved and enjoying the variety of food on offer.
