Examination performance in 2026

School performance data should be considered alongside a range of other information about the school, which could include looking at school websites, reading Ofsted reports, and speaking to the school directly. Conclusions should not be drawn on a single piece of data alone.

Pupils included in this performance data will have experienced some disruption due to Covid-19 earlier in their schooling, which will have affected individual pupils and schools differently.

GCSE Results 2026 (unvalidated)

Overall

58% of students gained a 4+ (standard pass) in English and Mathematics combined. 40% gained a grade 5+ or above in English and Mathematics combined.

Post 11 Destination measures

At Swinton Academy we are committed to ensuring that students leave with the necessary skills and qualifications to access Post 16 education or training. **2026** data shows that 172/177 (97%) students who progressed from Y11 at Swinton Academy went into full-time education or training. In **2025** 158/162 (97%) students from Y11 at Swinton Academy went into full-time education or training. Swinton Academy listed three students as NEET, 1.7% of the entire cohort. We are extremely proud that our Y11 students have been successful in pursuing post 16 qualifications and courses. Rotherham Early Help teams along with the academy careers lead continue to support any Swinton Academy students who require support accessing post 16 education, employment or training.
